

CONSOLIDATED TERMINALS AND LOGISTICS CO.

Consolidated Terminals and Logistics Co. (CTLC) a division of CGB Enterprises, Inc. started out in the fall of 1995 with its first mid-stream vessel operation in LaPlace, LA. Innovative thinking and an entrepreneurial spirit led to an expansion of services and markets, transforming CTLC into a global operation.

Today CTLC has become one of the major logistics providers and handlers of bulk commodities and products throughout the middle and lower United States. In addition, CTLC now serves the global marketplace, moving customer's products from anywhere in world.

From trucking to ocean freight, CTLC is an organization capable of providing you world class service with a small company attitude.
